- CONSTRUCTION**
- \* Standard AGO heavy duty construction
  - \* Sewn with flame resistant thread
- PACKAGING**
- \* Individually packed in a clear polyethylene bag
- SIZING**
- One size fits all

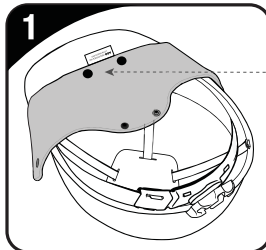

### Installation Instructions

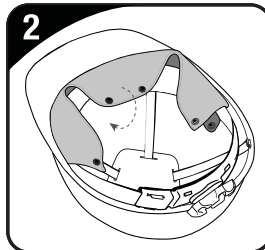

#### ARC/FR Sweatband for Hard Hat

**AGO #SP-367-35**

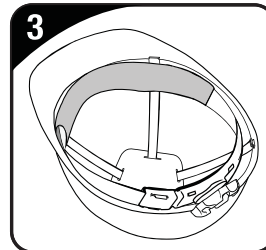

INSTRUCTIONS FOR USE:

**Step 1:** Position the sweatband with the male snaps facing down and toward the front of the hard hat.

**Step 2:** Tuck the male snaps between the front of the suspension band and the inside front of the hard hat. Bring the female snaps around under the suspension band to meet the male snaps. Snap together.

**Step 3:** Adjust the sweatband into the proper position so that all snaps are to the outside and the fabric is smooth on the inside of the suspension band.
